Natasha S Brown. Paperback. Condition: New. 322 pages. The ending if this book was incredible - I did not see that coming at all!!! ONE SENTENCE: Definitely worth a read. -- Worms Magical Library of Books BlogAs a Montessori Adolescent Guide, I looked for books like this for my students. This is a great adolescent read!This journey is about discovering ones own abilities and strengths, learning to trust your instincts, and the depth of love constantlyshimmering between Ana and Chance. An excellent follow up from the first book, I look forward to reading book three of The Shapeshifter Chronicles. -- Author Amy Manemann The adventure continues for Chance and Ana in book 2 of The Shapeshifter ChroniclesBook Description: In Clark Bend, Idaho, Chance Morgans dreams are haunted by the last moments shared with his grandfather. Memories of the fateful day when he died plague his thoughts, and without his grandfathers council, his shapeshifting powers mysteriously fail him. Desperate to seek out a new mentor and learn more about the mystical world he was sheltered from, Chance must travel far from home to hunt for answers. Eighteen-year-old, Ana Hughes has only known Chance for a few months, but he quickly found his way into her heart. Since being rescued from Chances power-hungry cousin, and coming back from death, Ana is unwilling to leave his side, and joins him on his quest to the Yucatan in search of a new mentor. When Chances memories fall into place and reveal a threat from their past, Chance and Ana must fight to survive - or die trying. Suggested reading age- 13 years old and upIt is recommended that parents participate in book selections to decide whether a book is appropriate for their children. writersd3sk This item ships from multiple locations.
