Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

REQUIEM, MASS.: A NOVEL (HARDBACK)

WW Norton Co, United States, 2008. Hardback. Book Condition: New. 211 x 147 mm. Language: English . Brand New Book. John Dufresne takes us to Requiem, Mass., heart of the Commonwealth, where Johnny's mom, Frances, is driving in the breakdown lane once again. She thinks Johnny and his little sister Audrey have been replaced by aliens; she's sure of it, and she's pretty certain that she herself is already dead, or she wouldn't need to cover the stink of her rotting flesh with Jean Nate Apres Bain. Dad, truck driver and pathological liar, is down South somewhere living his secret life. And Audrey, when she's not walking her cat Deluxe in a baby stroller, spends her time locked in a closet telling herself stories. Johnny, meanwhile, is hell-bent on saving the family from itself. In his truly original voice (Miami Herald) and with the miraculous beauty of his tale-telling (New York Times Book Review), Dufresne brings his unparalleled eye for the tragic and the absurd to the dysfunctions and joys of family in this powerful new novel.
