WORK CAN BE A PLAYGROUND, NOT A PRISON (PROFESSIONAL EDITION): CREATING POSITIVE GROWTH IN YOUR PHYSICAL AND EMOTIONAL WORK ENVIRONMENT

Work-Playground Press. Paperback. Book Condition: New. Paperback. 222 pages. If you are like most adults, you probably spend more than half of your waking hours at work (and some of us are more awake than others). Yet it is typical for us to dread work work is a four-letter word. Is this any way to spend most of our adult lives For us to enjoy every minute of our days, we need to dissolve our prejudices against work. For this to happen, we must either find work that makes us happy, or we must find a way to become happy in our current work. Work Can Be a Playground, Not a Prison offers a systematic approach to understanding and improving your work environment. This book contains ideas for making your workplace and work tasks more enjoyable and satisfying. The perfect job is elusive. You may accept employment based on salary, opportunity, location, or security (to name a few reasons) but rarely is a job perfect in every way. One of the obstacles to this perfection is that your job is a synthesis of what you bring, what your co-workers contribute, and what your company organization offers. Work Can Be a Playground, Not a Prison illustrates the social, physical, and mental elements of the workplace by contrasting the equipment and activities in a playground with those in a prison. In addition to giving insight into the building blocks of a positive workplace culture, this book provides an easy-to-follow framework for auditing the workplace and creating a more comfortable and nurturing environment. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
