

Tech Job Hunt Handbook: Career Management for Technical Professionals

By Kevin W. Grossman

Apress. Paperback. Condition: New. This item is printed on demand. 250 pages. Tech Job Hunt Handbook is a career management book just for technology professionals that reflects today's new economic realities. The world of work is constantly changing, and staying professionally relevant while competing for more specialized tech jobs in areas like cloud computing, mobile and social applications, and big data in a highly competitive global economy is critical. The world is churning out hungry programmers and developers in record numbers, making the global labor market highly competitive. It is now essential to plan a campaign to get a better job as well as your overall career. Retooling your skills and re-branding yourself is mandatory whether you're seeking a new job or intent on retaining current employment. Readers of the Tech Job Hunt Handbook will find tools, practical guidance, and recommendations on how to find the best new tech jobs, how to get noticed, how to ace interviews and get hired, and how to keep those new jobs until it's time for a better one. As you will learn, learning how to assess and then invest in career management skills leads to long-term competitive advantage and a happier working life. Tech Job Hunt...
