Reviews

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

ESILJAHA AND THE BETRAYAL: BOOK ONE IN THE SILVER ESSENCE SERIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Saphera called out, into the darkness. For anyone to hear her. She was crying, in pain, and her Silver Essence was rolling down, pouring from her wounds. The Sofus connected suction vacuums to her energy vessels, extracting the Silver Essence from her pores. They captured her, an Alpha Es, in the last few minutes of the War on Earth I. She was alive, barely holding on to her dear life, for the sake of her species. They could not capture her Silver Essence. She wouldn't let them, even if it cost her her own life, for their species would die out completely.
